The Downtown Development Authority (DDA) was established October 19, 1991 by city ordinance of the Rawlins City Council.

The Rawlins DDA adopted the “Main Street” approach and became a Main Street community in February 2006 as part of the statewide Wyoming Main Street family.

Main Street is a national program that focuses on revitalizing a downtown economic district through the four-point approach: Design, Organization, MARS, and Economic Restructuring.

In 2008, Rawlins DDA/Main Street received the Innovation Award from Wyoming Main Street for excellence, originality and effectiveness in downtown revitalization through historic preservation.

Our 9-person board includes a representative from City Council and the Rawlins Carbon-County Chamber. At least 4 members must own or be employed by business or buildings downtown. Our board meets on the second Tuesday of the month at 7a at RTEC.
